FINANCIAL POLICY

We Accept Visa and MasterCard

Welcome To Our Office

Thank you for choosing us as your podiatric physicians. We are committed to your treatment being successful, as you, the patient, are our first and foremost concern. As part of our service, we try to contain the cost of health care. In an effort to do this, we have implemented a Financial Policy.

The following is a statement of our **FINANCIAL POLICY** which we request you read and sign prior to any treatment. To avoid any misunderstandings, please contact us should you have any questions about our policies.

NO INSURANCE: If you do not have insurance or the doctor is not a participating provider with your insurance plan, please be prepared to fully cover the fees for each visit at the time of treatment.

PAYMENT: Payments for the balance due are due at the time of service and may be made by *cash, check or credit card* (Visa, MasterCard.) There will be a $25.00 charge for *returned checks. Delinquent accounts* will be referred for collection at the discretion of the office manager.

MINOR PATIENTS: The adult or the parent (custodial guardian) accompanying a minor is responsible for payment of services. For unaccompanied minors, non-emergency treatment will be denied unless prior authorization from the parent or guardian has been made for the charges and treatment. Young adults (age 18 & over) are legally responsible for their accounts unless a parent accompanies them to the initial appointment and signs this financial agreement, regardless of insurance coverage.

MISSED APPOINTMENTS: Please help us serve you better by keeping scheduled appointments. If it is necessary to cancel, please call our office 24 hours in advance. This allows us to accommodate our other patients. We reserve the right to charge for missed appointments.

ORTHOTICS: Orthotics are a non-covered service by some insurance plans. Please check with your insurance company *prior* to the examination and casting for orthotics to determine your orthotic benefits. A deposit of $150.00 is requested at the time of the examination and casting and full payment is due when the orthotics are dispensed.

SUPPLIES: For your convenience we make some supplies available for purchase in the office. If you choose to purchase these items, payment is due at time of purchase. We cannot bill for these items. In addition, we contract with outside suppliers to provide some supplies through our office. If any of these supplies are used for your treatment you or your insurance will be billed for these supplies by the outside provider. The Foot and Ankle Center of Washington has no part in billing for these supplies.

I have read and agree to the terms set forth in the above financial policy. I am financially responsible for any balance due.

A report of your visit today will be sent to your primary care doctor or referring doctor unless requested otherwise by you.

I acknowledge that I was provided a copy of the Notice of Privacy Practices and that I have read (or had the opportunity to read if I so chose) and understood the Notice.
